Carol for a New Year

Sing a new song,
Sing Peace in the New Year.

Under the snow a rose is sleeping,
Beauty rests in Nature's keeping.
All the people sing together:
Beauty be ours and tranquil weather.

Sing a new song,
Sing Hope in the New Year.

In the night a child lies sleeping,
May it awake in a family's keeping.
Men and women all together:
Love the children now and forever.

Sing a new song,
Sing Love in the New Year.

In my breast my soul lies sleeping,
May it awake in my God's keeping.
All the people sing together:
God's Joy be ours and heaven's treasure.

Sing a new song,
Sing Joy in the New Year.

Around the world true peace lies sleeping,
Awake it now in mankind's keeping.
All the nations sing together:
Peace be ours now and forever.

Sing a new song:
Sing Hope, Sing Love, Sing Joy,
Sing Peace in the New Year.
